

THE DIRECTOR OF CENTRAL INTELLIGENCE
WASHINGTON, D. C. 20505

4 September 1974

Miss Helene Boatner
Office of the Comptroller

Dear Helene:

I wanted to express in writing some thoughts I have already conveyed to you orally, namely how much the Director and I both appreciate the really outstanding job you did on the Proliferation Estimate. The paper that emerged from the tortuous bureaucratic process was an impressive piece of work which should be very helpful to its consumers. You were probably the only one who could have put it all together and no one else could have done it as well. Again, my great thanks for lending us such a first-rate helping hand.

Sincerely yours,

25X1

George A. Carver, Jr.
Deputy for National Intelligence Officers
